

IADC

International Association of Drilling Contractors

RIG MOVING COMMITTEE MEETING

INTRODUCTION

ELECTRICAL AWARENESS

Hazards of relocation, setup, and operation

TRANSPORTATION AWARENESS

Overhead power lines and utilities

PRODUCTION AWARENESS

Electrical systems and generated power

Relocation Hazards

Electrical Awareness

12V and high voltage systems

Damaged wiring & components

Street lights & power lines

Setup

Electrical Awareness

Buried utilities

Overhead power lines

Damaging electrical systems

Operations

Electrical Awareness

Generated power hazards

Enforce Lockout/
Tagout program

Damaged electrical equipment

OVERHEAD & BURIED POWER

Transportation Awareness

City and Town power lines and street lights

Rural power lines and buried utilities

Electrical Systems and Generated Power

Production Awareness

On board electrical systems

Outside power grids

Static electricity

RIG Relocation, Setup, Operation

Dangerous Business
Hazards Everywhere

SAFETY IS EVERYONES BUSINESS

Have Fun --- Be Careful

Go home safe!!!!
