2. Spills guidance note, review of 2st draft
3. Speakers at meetings
4. Other business
5. Next meeting

Welcome

Chairman welcomed everybody to the meeting. Wayne Bauer expressed happiness about being back.

Drug and Alcohol Testing in South East Asia – Guidance Note

Isos had agreed to provide information regarding potential personal consequences related to drug and alcohol use in S/E Asia.

No news has come from ISOS in the past month or so.

ISOS will be approached to push the proces a little.

Also, to clarify some of the company responsibilites, it was agreed to approach IADC and ISOS legal departments to ask them to join in a future meeting to help us clarify.

Spills

The Second draft of the Spills guidance note was presented and reviewed at the meeting.

This led to some very fruitful discussions and some specific suggestions for improvements. I'd like to thank all of the participants for their input to this, really a good effort and great collaboration all around.

Wayne was kind enough to also refer to the ISO17776, which we will review, and see if we can learn further from.

3 draft will be shared with the group.

Speakers

Mark suggested to get a doctor to come to next meeting to introduce the latest in burn treatment.

Mark will invite

Other business

Benito shared a story of a person passing away onboard their unit at Keppel. Including the traumas it can bring with it, for the team and for the spirit of the rig.

Mark asked the question of the Well Control manual of other companies are officially accredited. The general consensus was that they are not, but all following API standards.

Andy reminded the members of the IADC meeting coming up in Bangkok in September, and for people to attempt to come to the meeting.

Next meeting

The next 2 meetings were agreed on.

16 Sep 2016 @ 10.30 **WE NEED A HOST...**

11 Nov 2016 @ 10.30

We will continue with the combination of face to face and the option to dial in.

Closing

The meeting was closed off by thanking participants for their input.

Until next time

Stay safe

Bo D. Johansen
HSE Committee Chairman
