Agenda for the meeting:

1. Welcome and Introductions
2. Introduction of the Cybersecurity Committee Co-Chairs
3. Review of Antitrust Guidelines and Facility Orientation

International Association of Drilling Contractors

4. Review of Minutes from Last Meeting
5. [Applying the NIST CSF](#) – Michael Lewis, Chevron
6. Update on Legislative and Standardization Activities
7. AOB and Close of Meeting

Minutes:

1. Welcome and short introduction of the participants – “round around table”.

2. The committee chair Siv Hilde Houmb introduced the committee co-chairs Juan Negrete from Rowan Companies and Ben Ramduny from Seadrill.

3. Meeting delegates was reminded of the IADC antitrust guidelines.

4. Minutes from the committee meetings are posted at: <http://www.iadc.org/cybersecurity-committee/meeting-minutes/>. There were no comments to the minutes from the February 15, 2018 IADC Cybersecurity Committee meeting.

5. Applying the NIST CSF – Michael Lewis, Chevron

Michael Lewis discussed the NIST Cybersecurity Framework, as well as how Chevron has incorporated the various framework parts into their cybersecurity program and practices. **Mr. Lewis’s presentation is enclosed as appendix to the minutes.**

6. Update on Legislative and Standardization Activities from Melissa Mejias.

7. AOB and close of meeting. The committee meetings are announced on the IADC website. Please remember to register. The next committee meeting is August 9 in Houston, TX.

Updated and tentative schedule of deliverables for the IADC ART Cybersecurity Subcommittee:

- December 2018 – Guidelines for Network Segmentation.
- December 2018 – Cybersecurity Training v1.0.
- June 2019 – Guidelines for Hardening of Control Systems.
- June 2019 – Guidelines on Security Monitoring and Audit.

There were no other business and meeting adjourned.
