

## MAINTENANCE COMMITTEE MEETING MINUTES

21 October 2020

*Location: Teleconference*

### Call to Order:

The committee was called to order by Mr. Michael Anatra (Chairman).

### IADC Antitrust Policy and Guidelines:

Mr. Dunham also covered the IADC Antitrust Policy and Guidelines and stated that the full policy is available on IADC's webpage.

### Regulatory Review / Update:

The regulatory update was presented by Ms. Holly Hopkins (API) [via telecom].

A list of the regulatory areas that were reviewed at this meeting is included at the end of these minutes.

### Open Discussion, Open to Drilling Contractors only

- API 16AR update
- New Monthly IADC Contractor only teleconference meetings. Meetings will be scheduled on the third Thursday of the month, at 09:00. These meetings are designed to improve participation, and foster open communication among our peers. The goal is to capture equipment reliability, service, and safety issues that need to be relayed to the OEMs. The details gathered during these monthly meetings will then be communicated to the OEMs prior to the quarterly IADC Maintenance Committee meetings.

Vendor specific equipment discussions

- NOV
- MhWirth,
- USCG - Requesting IADC contractor assistance relative to, evacuation, mooring and demobilization during bad weather, (hurricanes, and tropical storms). USCG is requesting additional information in regards to best practices, and industry standards when a storm is in the gulf, and threatening the immediate region.

BSEE
