

**2024 IADC Latin America Regional Forum**  
**Held in conjunction with IADC Latin America Chapter**  
**Sponsorship Opportunities**  
**25 September, Hyatt Regency, Mexico City**

IADC events are industry-driven and focus on the critical issues facing the global drilling industry. Whether it's enabling and cutting-edge drilling technology, well control, health, safety, environment; training, or industry economics and financial outlook, IADC's worldwide program of events brings together the right people in the right venue. To help IADC cover expenses, we invite companies with an important recognition and representation worldwide, to be sponsors.

There are five levels of sponsoring: Diamond sponsors, Platinum Sponsors, Gold Sponsors, Silver Sponsors and Event sponsors. Event sponsorships may be categorized by monetary contribution with the appropriate level of sponsorship. Please find the benefits of the sponsor packages below. Sponsors will receive high profile recognition before, during and after the event. Companies will be well recognized during the event with sponsor signs, oral recognition from the onsite moderators and logos placed on the promotional slides during the breaks.
