About the IADC Drilling Middle East 2025 Conference & Exhibition

Although the Middle East market has remained resilient through the downturn, this region continues to face challenges around workforce development, drilling efficiency, safety and security, and equipment maintenance. The **IADC Drilling Middle East 2025 Conference & Exhibition**, will bring together industry leaders and drilling professionals to discuss such challenges and share best practices. Cutting-edge technology advances, including drilling automation, will be featured, as will case studies of relevant technical achievements. The premier event also will highlight evolving approaches to safety and training, providing practical information on new tools and processes that can be used to improve HSE performance.

About IADC

Since 1940, the International Association of Drilling Contractors (IADC) has exclusively represented the worldwide oil and gas drilling industry. IADC's mission is to advance drilling and completion technology; improve industry health, safety, environmental and training practices; and champion sensible regulations and legislation which facilitate safe and efficient drilling.

About IADC Conferences

IADC conferences are industry-driven events focusing on the critical issues facing the global drilling industry. Whether it's enabling and cutting-edge drilling technology, well control, health, safety, environment, training, or industry economics and financial outlook, IADC's worldwide program of events brings together the right people in the right venue.

When sponsoring an IADC event you will be enhancing and contributing to your industry!
