Explain the reason for the interruption, at what point in the content delivery the interruption occurred, and how and when the remaining content was delivered.

Reason for Interruption		
<i>Provide details regarding the interruption (e.g., who was involved, what happened).</i>		
Result of and Remedy for Interruption		
<i>Explain how and when the remaining content was delivered, including the date the class resumed and any issues that resulted (e.g., a trainee unable to stay for the remainder of the course, a new instructor being brought in to complete the content, any complaints from trainees, the need to review previous content, possible assessment issues).</i>
