

IADC DrillersPAC 2-Gun Match

Benefitting the IADC DrillersPAC and Magnolia I.S.D. Navy JROTC

May 2nd, 2025 – Todd Mission, Texas

Renaissance Shooting Club

The IADC is hosting the inaugural DRILLERSPAC 2-Gun Match to generate awareness and raise funds for DRILLERSPAC, the IADC's political action committee. DRILLERSPAC helps maximize the impact of the IADC's advocacy efforts by raising money to support political candidates aligned with IADC and their members' policy goals.

In addition, a portion of funds raised will be donated to the Magnolia I.S.D. Navy JROTC program. The Navy JROTC program is dedicated to developing student character and helping mature them into responsible citizens committed to achievement. Donations will assist in funding their annual events and competitions including drill team, marksmanship and orienteering.

This will be an individual based shooting competition requiring advanced physical capabilities and firearm management. You should be comfortable with pistols and rifles, shooting from various physical positions, drawing and holstering a loaded pistol, and carrying a rifle with a sling.
