

IADC **World Drilling** Conference & Exhibition

Beurs van Berlage, Amsterdam, The Netherlands

11 June 2025

Spouse/Guest Program

Welcome to the city of Amsterdam

We have created an exciting program for you during the World Drilling Conference & Exhibition in which you will get to experience some of Amsterdam's finest highlights.

Amsterdam, famous for its beautiful canals shows itself best by water. A boat trip will take you through the lovely canals where you will see Amsterdam's famous houses, many built during Amsterdam's Golden Age of the 16th and 17th centuries. During this trip a guide will explain why they were designed with narrow frontages and tell you about their beautiful gables. We hope the sun shows itself this day as well, so the trip feels even more warm & comfortable for you! We disembark for an exclusive lunch in a modern and characteristic restaurant, nestled in the heart of bustling Amsterdam. With its relaxed yet refined approach to lunch and dining, this restaurant is an urban sanctuary that offers a culinary experience like no other. This will be an absolute culinary surprise!

We will end your day with a syrup waffle workshop. Syrup waffles are a Dutch delicacy, and you can learn how to make the world famous Dutch Stroopwafels yourself! During this fun and easy workshop our professional host will assist you in making delicious traditional Dutch Syrup Waffles you can bring home with you.
