

2026 IADC International Tax Seminar

2-3 June, Fairmont Palliser, Calgary, Canada

IADC conferences are industry-driven events focusing on the critical issues facing the global drilling industry. Whether it's enabling and cutting-edge drilling technology, well control, health, safety, environment; training, or industry economics and financial outlook, IADC's worldwide programme of events brings together the right people in the right venue. To help IADC cover the expenses of these events, we invite companies with important recognition and representation worldwide, to be the sponsors for a conference.

There are five levels of sponsoring: Diamond sponsors, Platinum Sponsors, Gold Sponsors, Silver Sponsors and Event sponsors. Event sponsorships will be categorized by monetary contribution with the appropriate level of sponsorship. Please find the benefits of the sponsor packages below. The conference sponsor will receive high profile recognition before, during and after the conference.

IADC also offers companies the opportunity to host one of the events during the conference. Companies will be well recognized during the event with sponsor signs, oral recognition from the conference moderators and logo's placed on the promotional slides during the breaks.
