

The IADC is hosting the 4th annual DRILLERSPAC 3-Gun Competition to generate awareness and raise funds for DRILLERSPAC, the IADC's political action committee. DRILLERSPAC helps maximize the impact of the IADC's advocacy efforts by raising money to support political candidates aligned with IADC and their members' policy goals.

In addition, a portion of funds raised will be allocated to Camp Hope, a Houston-based interim housing facility operated by the PTSD Foundation of America. The mission of the PTSD Foundation of America is to bring hope and healing to Combat Veterans and their families suffering from the effects of combat-related Post Traumatic Stress.
